

Eunice echo

Volume 4, September 2015

Dear Parents

I would hereby like to invite you to **Eunice's 2015 Closing Function** on the **1st of October** at 18:00 in the big tent that will be situated next to the Eunice Theatre.

This new arrangement will provide ample seating to host learners, parents and friends of Eunice on this special occasion.

Please share the evening with us as we celebrate so many of our ladies' achievements throughout the year. Our learners have stayed true to this year's theme, taking flight on the wings of change and we are proud of them for portraying the true character of a generation that will lead our country into the future.

We will end the evening with the age-old and very special tradition of inducting our newly-elected Representative Council of Learners. I trust that the announcement of the 2016 Executive Council (Headgirls and Vice-Headgirls of the school and of Eunice House) will serve as the highlight of the evening.

Please make your arrangements for the evening in such a manner that your daughter will be able to stay for the duration of the entire function, as this is also her opportunity to recognize her peers' achievements and the vote she cast for her learner representatives and Headgirls for 2016.

Yours sincerely

Mrs Z de Wet
Headmistress

Proud moment

We are extremely proud to announce that three of our matriculants have been selected for the UFS Volksblad Matriculant of the Year Competition.

They are from left to right: Aloïse Nel (semi-finalist), Vickey-Lee Kritzingler (semi-finalist) and Abigail van Rooyen (finalist). Well done ladies!

The recipient of the title will be announced at a Gala-evening on the 3rd of October 2015. Good luck, Abigail.

"Every situation, properly perceived, becomes an opportunity."
