

## NEWSLETTER 6 OF 2018

Dear Parents

The celebration of Women's Month at Eunice entails the celebration of many things, including: authenticity, the journey to becoming more mature, our diversity and all the opportunities presented to us at school and in life.

We commenced the term by celebrating the results of our top academic achievers and have since continued to share numerous moments of pride as our ladies achieve the goals set for the term. Hostel Week, the Clarendon Derby, Women's Day Celebrations and the annual Mother-and-Daughter evening contributed to the impressive list of happy memories recorded in our Eunice diaries.

I trust that you have even more special moments planned during the month of August as we await Spring and its promise of renewed growth and expectation.

Spend extra-special time with your daughter. You might even consider:

- Attending an art exhibition;
- Collaborating and writing your daughter's life story up to now;
- Selecting and framing her favourite motivational quote;
- Helping her write her own empowering vision statement;
- Watching an inspiring TED Talk for women;
- Making a date to watch a proper 'chick flick';
- Spending time supporting a charitable organisation of your choice; or
- Printing photos of special times spent together.

I trust that term 3 will leave you exhilarated with all the happy memories made with your daughter.

Yours sincerely

Mrs Z de Wet  
Headmistress

**CELEBRATE WOMEN'S MONTH**

**#BECAUSE OF HER**

## Uniform and appearance

Differentiation and having a sense of occasion are important skills to attain. Please assist your daughter to uphold the Learner Code of Conduct and appearance guidelines. She should understand that taking pride in wearing her Eunice uniform means that she should distinguish between suitable and unsuitable hair styles, jewellery worn with the uniform as well as dress length.

Summer uniform is worn as from 1 September 2018.

## Service to the community

All Grade 8 and 9 Eunice ladies participated in the Shoprite Checkers Mangaung City Clean-up project when they picked up the litter in the streets surrounding our school grounds. This initiative was part of the 20018 Nelson Mandela Centenary Celebrations. Our ladies took Ian Somerhalder words at heart. He said that going green does not start with doing green acts – it starts with a shift in consciousness
